Workshop Part 3!

International Exchange through Drones A Multicultural Workshop for Parents & Children

November 12, 2023
14:00~16:00

Are you interested in drones and international exchange? Come join us in learning how to fly a drone and using the skills to play games. You and your family can become drone pilots!

The multicultural workshop will be held with friends who speak various languages. Learn how to fly a drone from professional instructors while navigating through games in a multicultural setting. The common language will be laughter and smiles!
